

# Comprehensive Workplace Solutions

## We listened and learned

- Historic and current state of MnSCU CE/CT
- Report from the Minnesota Council for Continuing Education and Customized Training
- MnSCU CE/CT performance data and current measures of success
- State of CECT nationwide by the Learning Resources Network (LERN)
- Distributed a survey and reviewed responses from CE/CT administrators at our colleges and universities

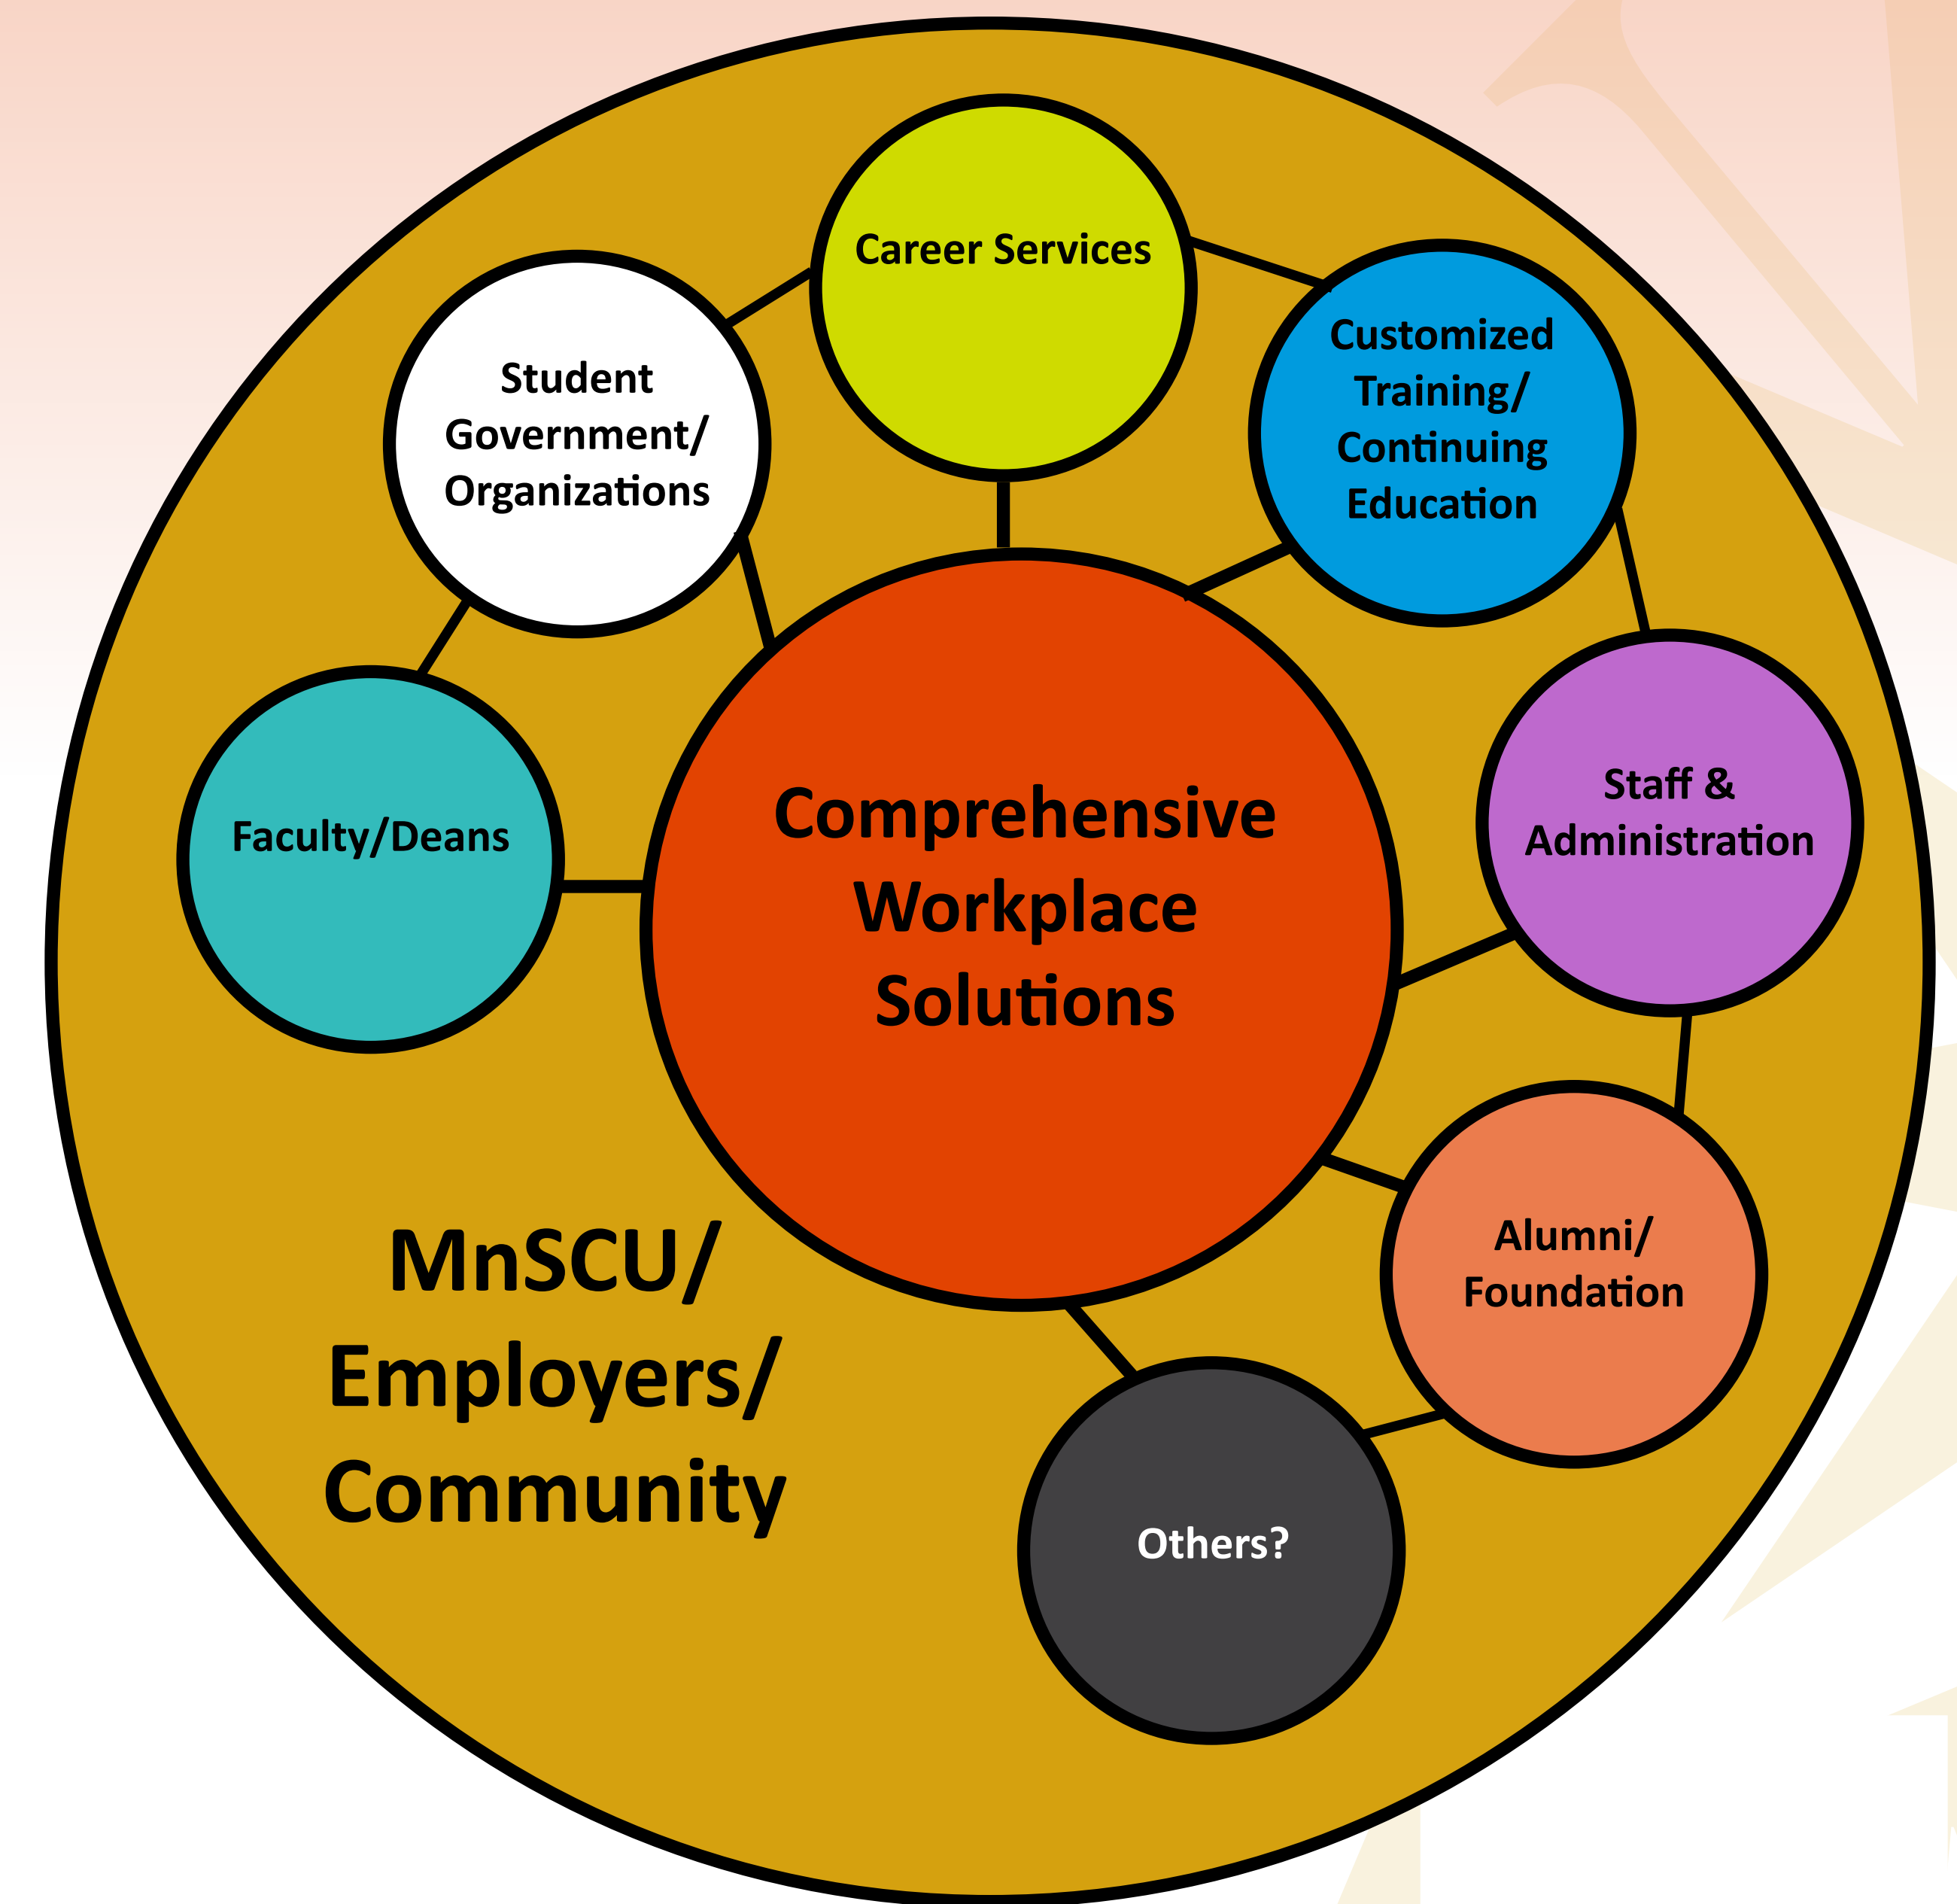

## Presentations to team

- Advanced Minnesota – a new collaborative model for the Northeast Higher Education District
- Existing partnerships at Inver Hills Community College and Dakota County Technical College, and North Hennepin Community College and Hennepin Technical College
- Role of CE/CT at state universities: Winona State University, Minnesota State University, Mankato, and St. Cloud State University
- Role of university career centers: St. Cloud State University and Bemidji State University
- Partnership between Schwan Food Company and Minnesota West Community & Technical College
- Presentation by HR & Training Director from DCI Inc.

## Team vision of Comprehensive Workplace Solutions

Develop a systemwide mission that uses collaborative work to ensure the best possible service is delivered to partner businesses and communities, including continuing education/customized training, career services, alumni/foundations, student government/organizations, faculty, staff, and administration.

## Proposed comprehensive workplace solutions model:
