

Summary of Work

September	October	November	December	January	February
Reviewed charter; set meeting dates; reviewed starter strategies.	Approved charter; selected student as co-convenor; met with 60 MSCSA student leaders.	Discussed topics identified in overview for further discussion and refinement; identified initial interdependencies with other implementation teams; asked for additional students to be on the team.	Reviewed feedback received from MyIdeas emails and MAPE; identified limited number of ideas to pursue for presentation at the Gallery Walks that would be transformative and have broadest impact; gathered evidence for effectiveness and/or urgency for change.	Consolidated results of five work groups into eight main concepts to pursue for Gallery Walks; discussed eight main concepts and determined top five to present at the Gallery Walks.	Finalized Gallery Walk content; participated in the All-Team Summit.

Research	Key Themes
Team Subject Matter Experts	Provided an overview on key themes in educational technology related to student services, online-only teaching, hybrid, classroom technologies, instructional materials, modality/tools of delivery, professional development, and infrastructure.
MyIdeas emails and MAPE	Received feedback concerning more distance learning options statewide, student services software, virtual spaces, increased collaboration, and promoting transfer.
Listening session at MSCSA Student Leadership Summit	Heard student feedback regarding instructional materials, course design and quality, student services, D2L, professional development, email, staffing, infrastructure, classroom technology, and online courses.
Research related to Educational Technology	See handout for list of references.

CHARTING THE FUTURE
FOR A PROSPEROUS MINNESOTA

Minnesota State Colleges and Universities is an Equal Opportunity Employer and Educator.
